September 4, 2018

Dear Memorial Families,

Welcome to the 2018-2019 School Year!! I hope everyone had a wonderful summer! There have been some amazing changes and upgrades this summer to our Memorial School. Some of the changes include:

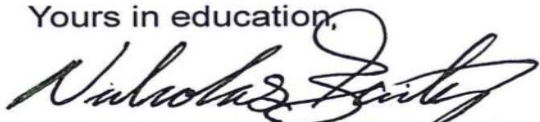

- **Full Day Preschool!!**
- **New energy efficient lighting and thermostats!!**
- **STEM program in Kindergarten!!**

We are so excited to be able to begin our first year of Full Day Preschool! Our teachers, custodians, secretarial and administrative staff have been working hard to ensure our school is ready for all of our new endeavours - in Preschool and Kindergarten alike!

I'm sure you and your child are excited about coming to school as a preschooler or kindergartner. As a parent or caregiver, you play such an important role in your child's academic achievement. Making the commitment to sending your child to preschool and kindergarten is so significant to your child's educational path. By taking steps to get involved in your child's education, you can bridge the gap between home and school to help ensure your child's success in learning and in life. To help promote this, we would like to extend an invitation to our families to join us at school activities and events throughout the school year whenever possible. We hope you join us on **Friday, September 7** for **Preschool Visitation** and **Monday, September 10** for our **Preschool Back To School Night**.

The Memorial staff and I look forward to having the students back in our classrooms and hallways and hearing about all their summer fun! I look forward seeing everyone throughout the school year! It is going to be an amazing year!

Yours in education,

Mr. Nicholas Bailey, Principal
Memorial School
