

## **Parent Involvement Program Goals 2017-2018**

This year's goals included the following:

- a. To provide parents with timely information regarding policies and program design, operation and evaluation.
- b. To support parents' efforts to assist their children at home in the accomplishment of basic skills.
- c. To provide training to parents/guardians and school personnel which will promote a home-school partnership.
- d. To provide the opportunity for on-going articulation between parents and teachers and to allow for full participation of parents regardless of literacy skills or English language proficiency.
- e. To develop and implement a Parent/Student/Teacher Compact.
