January 27, 2021

Dear LTES Families,

It has been a very difficult year with many ups and downs, and we thank you for your continued support.

Safety continues to be our first priority, and we hope to bring some normalcy back to our families by offering 5 days of in-person school. We are consistently consulting with our Cape May County Department of Health, our CMC Educational offices, other local school districts, and our local officials. Understanding that having our children in school is the ideal learning situation, we are moving forward with the next added phase of our Reopening Plan.

As long as our local Covid-19 Data continues to level off in a positive manner, the Lower Township Elementary School District is planning on delivering In-Person learning with continued early dismissals 5 days/week starting February 22, 2021.

We are also hopeful that this date gives more people who chose to receive the vaccine the opportunity to have it administered.

We could not continue to move forward without your support. Please continue to screen your children online everyday, and keep them home when they are not feeling well. This persistent teamwork will allow us to keep your children safe in their ideal learning environment with their teachers and friends.

Thank you,

Jeff Samaniego

Mr. Jeff Samaniego
LTES Superintendent
