November 19, 2020

Dear Families,

I hope this letter finds you and your family well. The COVID-19 impact to our schools and community is rapidly changing, therefore, our administrative team is faced with a tremendously difficult decision. Our commitment to student and staff safety remains our highest priority. Due to recent increases of COVID-19 cases and exposures in the Lower Township community and our schools, we are taking the necessary precautions to prevent the spread of illness.

The Lower Township School District will be switching to 100% virtual instruction beginning **tomorrow, November 20, 2020**. The district will remain closed for in-person instruction through winter break. We will monitor the impact that this virus is having on our community and provide an update on December 21, 2020 to our families regarding the reopening or extended closure of our schools for in-person instruction.

Instruction will be a combination of virtual, synchronous lessons and remote, asynchronous work five days per week. Your child's teacher will be emailing you with a daily schedule and please remember that school attendance is very important. If you need assistance with anything the building Principals are also available to help.

Sincerely,

Jeff Samaniego

Superintendent
