Dear LTES Families,

Thank you once again for all of your support through this unprecedented time. So far, your children have done a wonderful job following all of the new safety protocols in each building. We have been monitoring our county and township data, and feel that our district is ready to progress to the next phase of reopening.

Our District Pandemic Response Team and our School Board are all in agreement to move forward. Phase 2a will begin on **Tuesday, October 13th**.

**Phase 2a:**

- Group A Students and Group B Students will be combined together for 4 days of In-Person Instruction. (Mon, Tues, Thurs, Fri)
- Wednesday will continue as a virtual day (unless there is a holiday during that week)
- We will continue with an early dismissal schedule.
- 100% Virtual Learner's schedule will remain the same.

We are confident that we can move to this new phase safely with the continued support of our families and our staff working together.

Thank you very much,

Jeff Samaniego, Superintendent
