August 23, 2021

Mitnick Families,

I hope this letter finds you happy, healthy, and ready for a new school year!

All signs point to an incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Technology plays a critical role in your child's education. Mitnick school is equipped with 1:1 Chromebooks. Your child will be learning how to navigate through Google classroom and participate in digital lessons prepared by his/her teacher. We are excited to be able to offer this technology to our students.

The health and safety of our students and staff is our top priority. Please continue practicing proper handwashing and hygiene. If your child isn't feeling well please keep him/her home. Students will be encouraged to wash their hands frequently during the school day. Our Buildings and Grounds staff have been working hard this summer cleaning and waxing our building so it is ready to shine on September 7th.

Communication with your child's teacher is imperative to create the most effective learning environment for your student. Your child's teacher will be setting up communication platforms to make contacting him/her easier. Please be diligent in reading announcements and communicating back. Be sure to give our school Facebook page a like to see some exciting highlights throughout the school year.

Please contact your child's school by Thursday, September 2nd if you plan on NOT using the district provided busing.

Parent Drop-Off at Mitnick will begin at 8:50 am in the rear of the building.

Parent Pick-Up at Mitnick will begin at 2:50 in the rear of the building. Please be sure to bring a photo ID.

I have included two name tags for your child to wear on the first two days of school. Please clearly write your child's name and teacher's name on those name tags.

Sincerely,

Christina Granero
