**Dear Parent(s) and Guardian(s),**

**We are happy to announce that parents can now start the registration process from home using the QR code below. Please scan the QR code below and answer a few basic questions, including your telephone number. We will then reach out to schedule a date and time for your appointment.**

**In the meantime our registration packet is on the website and these forms are available for you to print out and complete. Registration packets are still available to pick up at the front office at Memorial School if you do not wish to print the forms. When you come in for your appointment, these forms must be filled out and the necessary information should be brought in verifying that you live in Lower Township. As always, you can contact the office with any questions. (609) 884 - 9430.**

**Thank you,**
