Dear LTES 100% Virtual Families,

As you know, this has been a very different start of any school year. We are very fortunate to reopen our school doors to all families as we continue to take every precaution in keeping our students and staff safe.

We recently moved forward from a hybrid in-person learning model, to 4 days of in-person learning a week. We were able to do this by starting the school year with more grade level homerooms, and minimizing class sizes. Our Specials classes are pushed into the homeroom, so traveling within the school is minimized. We are on a daily early dismissal schedule and Wednesdays at this moment, are fully virtual districtwide.

If you are interested in bringing your child back to school for the 2nd marking period, you need to contact your Principal by **November 6, 2020**. If you meet this deadline, your child will start back to in-person instruction on Monday *November 16th*.

The next entrance window will be for the 3rd marking period in late January 2021.

If you have any questions, please contact your Principal directly or myself.

Thank you,

Mr. Samaniego
Superintendent
