September 2023

To the parents/guardians of:

Dear Parents/Guardians:

Welcome to the 2023-2024 school year! We are pleased to inform you that your child has the opportunity to participate in our Basic Skills/Title 1 program. We use multiple measures to determine eligibility in both reading and math based on classroom performance, teacher observation, and diagnostic assessment data.

The purpose of the Basic Skills/Title 1 program is to provide small group intensive reading instruction and in-class support math instruction offered by a certified instructor in collaboration with the regular classroom teacher.

Your child has been selected to receive this Basic Skills support for:

Reading: \_\_\_\_\_ Math: \_\_\_\_\_

Please find enclosed two copies of the *Lower Township Home-School Compact*. Please read it with your child, sign the parent and student portions and return **one** signed copy to the school. A formal schedule of instruction will begin immediately. Specific information about the program and a description of the instruction will be communicated at a parent informational meeting which is scheduled on **Tuesday, September 12th** in the Mitnick Cafeteria immediately following your child's Back to School Night homeroom presentation.

If you have questions about the Basic Skills/Title 1 program, please do not hesitate to contact me. I am confident that you share my enthusiasm for a program that will help all students achieve their maximum potential.

Sincerely,  
*Rachel Howgate*
