HEALTH OFFICE INFORMATION FORM

Dear Parents/Guardians:

Please take a moment to review these important guidelines. Questions can be directed to Maud Abrams School Nurse's Office at 898-9464.

MEDICATION POLICY

ANY and ALL medications given by a nurse, including non-prescription medications, require a physician's order. Parents are required to bring in the medication. Please do not send it with your child.

New Jersey State Law requires that the school nurse have a written permission from the parent/guardian, a physician's order and that the medicine is in its original container. Also, please check the expiration date on the bottle. Doctor orders expire after one year.

Medications brought to school without meeting these requirements cannot be given and will be returned to the parent/guardian. We will accept a doctor's order via FAX at 884-9421.

EMERGENCY TELEPHONE NUMBERS

Please make arrangements *now* to have someone who may pick up your child if he/she becomes ill or injured while at school. Our policy is to attempt to contact the parents first should this occur. It is important that these numbers are **kept up-to-date**, that the person has a car, is usually home or available during the day, and has photo ID. **We cannot keep a sick child in the nurse's office for the entire day or allow him/her to ride the bus home.**

HEAD LICE

Head lice are occasionally found throughout the school year. **Please check your child's hair weekly.** If lice or nits (eggs) are found, please let me know so that I can check the class and other close contacts. Following treatment, **all nits must be removed. In order to ensure that all nits have been removed, your child must be checked by the school nurse prior to riding the school bus and returning to the classroom.**

GENERAL HEALTH

Please inform the school nurse of major injuries or illnesses. **If your child is unable to fully participate in gym class, a doctor's note is required.** Any immunization updates must be signed or stamped by the physician.

ABSENCE FROM SCHOOL

Parent/guardian you may now "call your child out". Please call the nurses office at 609-898-9464 and listen to the following prompts.

Sincerely,

Heather LanzaLotti, RN,CSN
Maud Abrams School Nurse
